**Questions & Answers**
**Who can be covered?** In addition to covering yourself, dependent coverage is offered in the BasicAdvantage Total, Essential, Dental and Term Life Plans. Your eligible dependents are your lawful spouse and your children through age 25, or through any age if disabled and unable to earn a living.

**When does my coverage begin and end?** Your coverage begins on the first day of the month after you enroll, provided you are eligible and the required premium has been paid. Coverage for all of your benefits under the program will end if (1) the required premiums are not paid; (2) you are no longer an eligible employee; (3) the insurance policies terminate; or (4) you enter an Armed Service on full-time active duty.

**When does dependent coverage begin and end?** Your dependents’ coverage begins when yours does, unless you enroll them later. If you do, their coverage will become effective after the enrollment is approved and the premiums have been paid. Their coverage ends when yours does or when the dependent is no longer eligible.

**Do I have to use certain doctors, dentists or hospitals?** No. You are free to use any licensed doctor or dentist, or any certified hospital. However, under the BasicAdvantage Total Plan, you can save money by using a network provider. Rest, nursing or old age homes, or facilities for the treatment of alcoholism, drug addiction or mental disorders are not hospitals.

**How does the BasicAdvantage Total Plan’s Hospital Admission Benefit work?** It pays a single daily benefit when you are admitted as an inpatient to the hospital for treatment of any of the conditions shown. The daily benefit amount varies by condition and is payable based on the first diagnosis code listed on the claim form for the hospital admission.

**When will I receive ID cards and full coverage information?** You will receive a Summary Plan Description after you enroll. ID cards will be included.

**Does the BasicAdvantage Total Plan cover maternity?** Yes. Maternity care is covered.

**Are visits to a chiropractor covered under the BasicAdvantage Total Plan?** Yes, chiropractic office visits are covered; however, spinal adjustments and manipulations, or modalities are not covered.
