Consumer Driven Health Plan (CDHP)

Flexibility to choose providers and facilities for services
- Three independent components:
  - Medical – Nationwide network through Aetna PPO
    - Lower out-of-pocket costs from CDHP in-network
  - Pharmacy Prescriptions - CVS Caremark
  - Behavioral Health Services - Aetna
- High-deductible health plan as defined by the IRS

**In-Network Physician and Hospital**
- Plan pays 90%; member pays 10% after annual plan deductible is met

**Out-of-Network Physician and Hospital**
- Plan pays 65% of allowable charges after annual plan deductible is met
- Allowable charge is the maximum amount the plan will pay an out-of-network provider for billed services
Health Savings Accounts (HSA)
Companion to CDHP Enrollment

Benefits defined-
- Pre-tax or tax-deductible contributions
- Tax-free interest or investment earnings
- Tax-free distributions, when used for qualified medical expenses
- May not participate in MCAP
- Must re-enroll each year to continue contributing

Qualifying for an HSA-
- Must be covered under a high-deductible plan
- Have no other health coverage (unless permitted under Other health coverage: https://www.irs.gov/publications/p969#en_US_2019_publink100024039)
- Not be enrolled in Medicare. This includes Part A
- Can’t be claimed on someone else’s tax return
The State will contribute one-third of the CDHP deductible to an active State employee’s HSA.

You may also contribute an additional $3,100 individual; or $6,200 family, to your HSA through pre-tax deductions or post-tax direct payment.

Unlike an FSA, there is no “use-it-or-lose it” rule with HSAs. Unused contributions remain in interest bearing account as a tax-free savings to be used for qualified medical expenses, now, or in the future.

For more information visit MyBenefits.Illinois.gov and the administrator’s website – https://www.payflex.com/
Hearing Instruments & Related Services

- A $2,500 benefit for hearing instruments and related services every 24 months is available through all health plans when a hearing care professional prescribes a hearing instrument. Contact your Health Plan for additional details.

- Delta Dental partners with Amplifon for hearing health care. For more information call 888-823-2130 or visit www.amplifonusa.com/deltadentalIL
Important: Out-Of-Network

- You are encouraged to use in-network providers to receive the best health plan benefit
- Using out-of-network providers will significantly increase your out-of-pocket medical costs
- Remember, out-of-network services are reimbursed at a much lower rate in the QCHP, CDHP and OAP plans
- If you are referred to, or choose to see an out-of-network provider, you should contact your health plan, prior to receiving services, to ensure the services meet medical necessity criteria, to receive authorization, and to request a cost estimate
- View the announcement at https://blogs.uofi.uillinois.edu/view/1418/1176448546 or go to https://MyBenefits.Illinois.gov/
Reminder: Out-of-Network

Maximum Reimbursable Charge (MRC) – the maximum amount the carrier will pay for an out-of-network provider for billed services

- Plan Participant will be responsible for anything above the MRC
- Will not be applied towards the plan year deductible or the out-of-pocket maximum

Maximum Allowable Charge (MAC) – The amount that the carrier will pay the provider and consider the service paid in full.

MRC – The maximum the plan will allow for eligible billed services.
MAC – Rates are determined by Medicare and the locality. They are routinely updated.
