

## HRFE ISSUES ADDRESSED IN THE 9.95 PATCH

### **8837 - Changes are needed in the NH email due to the IHR restructuring, along with a few changes from SHRS.**

Phone numbers and emails were changed due to the Illinois Human Resources (IHR) restructuring. Systems Human Resources also requested a few verbiage changes.

### **8842 – Remove the PAPE-JOB from the Doc Type drop down list**

The PAPE-JOB Document Type will no longer appear in the drop down for new transactions after this patch is deployed to production. Users will be able to continue to view these document types on open and historical transactions.

### **8845 – Link to UI New Hire is not correct in NH emails when being sent via NH password reset**

When emails were generated via the New Hire password reset the link to the UI New Hire application in the email was not working. This has been corrected with this patch.
