

HRFE/PARIS ISSUES ADDRESSED IN 15.0 RELEASE

1530: SEP: Remove any deduction exclusions when a deduction is terminated via HRFE Separation.

1531: EGC: Add FYI to Fiscal Control when an EGC transaction is at a Post Apply stop and the employee is no longer SURS eligible.

FYI sent to FISC when an EGC transaction is at a Post Apply stop and the old BCAT is in (M1, M2, M3, B1, B2 or B3). When the transaction is sent to the Payroll stop, a FYI should be sent to FISC at the same time.

1538: Last Name field is no longer editable after the iCard/Banner search during a HRFE new hire transaction.

To process a name change on a rehire, the name change must be processed via Banner prior to starting a HRFE new hire transaction.

1544: Requested verbiage change to the TCN error message displayed when documentation is not attached:

- Please attach the appropriate documentation (<https://go.uillinois.edu/obtainTCN>) with a doc type of STATEMENT FOR TCN.

HRFE/PARIS 15.0 also includes required framework updates.
