Re: Academic Vacation and Sick Leave (AVSL) Reporting

This message provides information about reporting Academic Vacation and Sick Leave (AVSL) in Banner. Please forward to all appropriate individuals in your unit who maintain PEALEAV or who answer questions regarding AVSL reporting. A draft communication, that may be modified to fit your needs, is also attached that you may use to communicate to your Faculty, Academic Professional, and other Academic staff members who need to report usage during this reporting period.

Resource materials are available on the System Human Resource Services website at <https://www.hr.uillinois.edu/cms/One.aspx?portalId=4292&pageId=5601>.

Mass communications will NOT be sent to affected employees. Therefore, if you have not already begun to collect the information, you may wish to share the information below with your affected academic employees.

As a reminder, University policy requires that AVSL be reported twice a year, in May and in August. Units should be collecting AVSL usage from employees in preparation for the first 2026 reporting period. This is particularly important for those leave-eligible employees who may be leaving campus May 15, 2026.

The two AVSL reporting periods will be: August 16, 2025 through May 15, 2026, and May 16, 2026 through August 15, 2026. **Because the University must report its liability to the State, it is critical this report be done for both 9/12 and 12/12 month employees.**

** AVSL usage information for Academic (faculty and staff) employees should be entered into Banner beginning May 16, 2026 and no later than June 6, 2026 for the first reporting period.**

** Please remember to add information for your university HR contacts related to the overtime exempt civil service reporting requirements for the May reporting period (August 31, 2025 – May 9, 2026). Overtime exempt civil service usage information should be entered into Banner beginning May 14, 2026 and no later than May 27, 2026. **

As a reminder, employees should not be entering their own leave usage in Banner. If one individual enters usage for all Academics in that unit, department, and/or college, a different individual must be identified to enter usage for that person. There are no exceptions to this process.

Remember that your employees should report any leave taken in hours, keeping in mind that one full-time day equals eight hours. For example, if your full-time employee used 10 vacation days and 2 sick days, you would report 80 hours of vacation leave used and 16 hours of sick leave used. As a reminder, Academic employees who are not eligible for overtime should be reporting absences in half- and full-day increments only (except when leave is taken under the Family and Medical Leave Act). Absences in increments less than half- or full-days should not be charged against vacation or sick leave balances. Part-time and alternative schedule employees report absences as appropriate based on their schedule. Generally speaking, the employee reports either half-day or a full-day based on their scheduled hours for the day.

Please note: When an employee separates from the University, departments are requested to use the same process in order to bring leave balances current for payout purposes.
