THE FAMILY AND MEDICAL LEAVE ACT

EMPLOYEEENTITLEMENT
An eligible employee may take up to twelve weeks (26 weeks to care for a covered servicemember with a serious
injury or illness under (e) below) of Family and Medical Leave during each consecutive 12-month period for which
eligibility criteria have been met. The initial 12-month period is measured forward from the date the employee first
takes FMLA leave. The next 12-month period begins the first time FMLA leave is taken after completion of any
previous 12-month period. Family and Medical Leave shall be granted for (a) the birth or placement of a child for
adoption or foster care; (b) for the care of a child, spouse, or parent with a serious health condition; (c) when an
employee is unable to perform the functions of their position due to a serious health condition; (d) because of a
qualifying exigency arising out of the fact that a family member (child, spouse, or parent) is on a covered active
duty or call to active duty status in support of a contingency operation as a member of the National Guard, Reserves,
or Regular Armed Forces; or (e) for the care of a child, spouse, parent, or next of kin who is a covered
servicemember with a serious injury or illness. For leave taken for the birth or placement of a child for adoption or
foster care, entitlement expires at the end of the twelve-month period following the date of the birth or adoption
placement.

APPLICATION PROCEDURES

submit it to their department human resources Representative or applicable human resources (HR) office. The
department human resources Representative completes the TO BE COMPLETED BY DEPARTMENT portion and
returns to the employee. A copy should be retained in the department separate from the employee’s personnel file.
DO NOT SEND A COPY TO THE HUMAN RESOURCES OFFICE except under the following
circumstances:

• UIUC Academic Professionals (AP) and Faculty must receive approval for unpaid FMLA leaves. Forms
  should be submitted to the Academic Human Resources office.
• System Office employees should submit the completed FMLA application and Medical Certification (if
  applicable) to System Human Resource Services. System HR completes the TO BE COMPLETED BY
  DEPARTMENT portion.
• UI Hospital and Clinics (UI Health) employees should submit the completed FMLA application and Medical
  Certification (if applicable) to UI Health HR. A member of the Absence Management Team completes the TO
  BE COMPLETED BY DEPARTMENT portion and responds to the request.
• UIC College of Medicine employees at the Rockford and Peoria locations should submit the completed FMLA
  application and medical certification forms to their respective Human Resources offices in Rockford and Peoria;
  HR will complete the To Be Completed By Department portion.
• UIS employees must receive approval from the appropriate supervisor or department designee. Approved
  forms should be submitted to the Office of Human Resources, HRB-30.

MEDICAL CERTIFICATION
Certification issued by the employee's or the family member's health care provider is required to support a request
for Family and Medical Leave due to a serious health condition (see Medical Certification forms). Requests for paid
leaves shall be in accordance with the University's sick leave/vacation policies. Departments may require employees
to provide the opinion of a second health care provider designated or approved by the University, but not employed by the University. The opinion of a third provider may be required when there are differing opinions. The opinion of the third provider shall be considered final and shall be binding on the University and employee. Any expenses associated with obtaining second and third opinions shall be the responsibility of the employing department.

CERTIFICATION OF QUALIFYING EXIGENCY FOR MILITARY FAMILY LEAVE
Certification issued by the employee is required for an employee seeking FMLA leave due to a qualifying exigency. A complete and sufficient certification to support a request for FMLA leave due to a qualifying exigency includes written documentation confirming a covered military member’s active duty or call to active duty status in support of a contingency operation.

RETURN FROM FAMILY AND MEDICAL LEAVE
The department or applicable HR office may require an employee to obtain a statement from a health care provider that he/she is able to resume work. Employees are expected to contact employing departments at least thirty calendar days in advance of the anticipated date of return. A staff employee who has been absent for Family and Medical Leave shall be restored to the position of employment held by the employee when the leave commenced; or an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

USE OF PAID AND UNPAID LEAVE
Birth or Placement of a Child for Adoption or Foster Care: Employees have the option to take FMLA leave with or without pay. An employee may request to apply accrued vacation and/or sick leave during the FMLA period in accordance with Policy and Rules for Civil Service Staff or with university Academic policies. Any portion of the FMLA period for which accrued leave is not applied shall be without pay.

Serious Health Condition, Family Member, Employee, or Covered Servicemember: Employees have the option to take the leave with or without pay. For care of a spouse, child, or parent with a serious health condition or because of an employee’s own serious health condition, the leave is provided under the University Sick Leave policy (Policy 10, Sick Leave) and the university Academic sick leave policies. If an employee’s sick leave is exhausted, the employee may elect to use accrued vacation leave to continue in pay status during the FMLA period. Sick and vacation leave used for this purpose will be counted towards the FMLA entitlement.

Exigency Leave: Employees have the option to take the leave with or without pay. An employee may request to apply accrued leave during the FMLA period in accordance with Policy and Rules for Civil Service Staff or with university Academic policies. Any portion of the FMLA period for which accrued leave is not applied shall be without pay.

In addition, employees with a serious health condition, who exhaust their accrued sick leave balances, may be eligible to receive disability benefits through SURS. Employees may request an APPLICATION FOR DISABILITY BENEFITS from the university HR office. Any portion of the FMLA period for which accrued vacation, sick leave, or disability benefits are not applied shall be without pay.

INSURANCE COVERAGE AND RETIREMENT CONTRIBUTIONS DURING UNPAID LEAVE
Coverage of group health and dental insurance shall be continued by the University at the same level that coverage would have been provided if the employee had remained in continuous employment. Employees are responsible for paying the employee-paid portion of any insurance premiums presently paid by payroll deduction. If the employee does not make required payments during the leave period, the CMS-Group Insurance Division (GID) will terminate the member’s coverage the first day of the current month. These members are ineligible to continue coverage under COBRA and will not receive a COBRA notification letter (eligible or ineligible). CMS will take action to collect all outstanding premium(s), which may include involuntary withholding. Employees are encouraged to contact the Benefits Service Center for information on changes in status and to arrange for billing prior to their last day of work.

Employees pay the entire premium plus a 2% administrative fee for COBRA coverage. Central Management Services (CMS) mails monthly billing statements to the employee's home address on or about the tenth of each month. Bills for the current month are due by the twenty-fifth of that month and are paid to CMS. Individuals electing COBRA coverage have 45 days from the date coverage is elected to pay currently due premiums. Failure to submit payment by the due date terminates COBRA rights.
The University may recover any premiums paid for maintaining coverage for the employee if the employee fails to return from Family and Medical Leave for a reason other than continuation, recurrence, onset of a serious health condition (employee or family), or other circumstances beyond the control of the employee. Certification of such conditions may be required by the University.

To determine the effect of Family and Medical Leave on the accumulation of service time for retirement and to assure continuation of contributions, the employee should contact SURS at 1-800-ASK-SURS.

QUESTIONS
Employees should discuss questions or disagreements about leave under the Family and Medical Leave Act with their department human resources representative. If concerns are not resolved at the department level, the college/administrative unit human resources representative should contact the appropriate university or system office human resources who will provide assistance to both the employee and the unit.

Interpretation of specific requirements of the Family and Medical Leave Act policy is subject to provisions contained in the full text of the Act. Questions regarding the provisions of the FMLA and the Department of Labor Regulations for its implementation should be directed to the appropriate university or system human resources office.

NOTE: System Office employees should contact System HR if there are questions or disagreements about leave under FMLA.

Effective August 5, 1993, the University of Illinois implemented the Family and Medical Leave Policy in compliance with the federal Family and Medical Leave Act (FMLA) of 1993 and amended the policy in 2013 due to regulation revisions effective March 8, 2013. Such leaves shall be granted to eligible employees (a) for the birth or adoption of a child; (b) for the care of a child, spouse, or parent who has a serious health condition; (c) when an employee is unable to perform the function of their position due to a serious health condition; (d) because of a qualifying exigency arising out of the fact that a family member (child, spouse, or parent) is on active duty or call to active duty status in support of a contingency operation as a member of the National Guard, Reserves, or Regular Armed Forces; or (e) for the care of a child, spouse, parent, or next of kin who is a covered servicemember with a serious injury or illness. FMLA leaves are granted by the department/unit or applicable human resources office. Eligible employees are entitled to up to twelve workweeks (26 weeks to care for a covered servicemember with a serious injury or illness) of unpaid family and medical leave during each consecutive twelve-month period for which eligibility criteria have been met. Employees may substitute accrued sick leave and vacation leave for unpaid FMLA. The initial 12-month period is measured forward from the date the employee first takes FMLA leave. The next 12-month period begins the first time FMLA leave is taken after completion of any previous 12-month period. If foreseeable, requests for Family and Medical Leave should be made at least thirty days in advance of the leave or as soon as practicable. If the need for leave is not foreseeable, requests should be made within two business days of learning of the need for leave.
