EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER UNIVERSITY FAMILY MEDICAL LEAVE

For the Care of a Registered Same-Sex Domestic or Civil Union Partner

This application should only be completed for University Family Medical Leave (UFML) to care for a registered, same-sex domestic partner. UFML may be granted for the following:
- the care of a registered, same-sex domestic or civil union partner with a serious health condition.
- because of a qualifying exigency arising out of the fact that a registered same-sex domestic partner is a member of the Reserves or the regular Armed Forces and is deployed to a foreign country on covered active duty.
- the care of a registered, same-sex domestic or civil union partner who is a covered servicemember with a serious injury or illness.

EMPLOYEE ENTITLEMENT
An eligible employee may take up to twelve weeks (26 weeks to care for a covered servicemember with a serious injury or illness under) University Family Medical Leave (UFML) during each consecutive 12-month period for which eligibility criteria have been met. The initial 12-month period is measured forward from the date the employee first takes either UFML or Federal FMLA leave. The next 12-month period begins the first time UFML or Federal FMLA leave is taken after completion of any previous 12-month period.

EMPLOYEE ELIGIBILITY
To be eligible for UFML benefits, a University of Illinois employee must:
1. have worked for the University of Illinois for at least twelve months; and
2. have worked at least 1,000 hours of service during the previous twelve months; and
3. have completed, and submitted to the University of Illinois Office of Payroll and Benefits, either a Civil Union Certificate, a Domestic Partner Affidavit, or the University of Illinois Affidavit of Domestic Partnership (https://nessie.uhr.uillinois.edu/pdf/benefits/DPAffidavit.pdf); and
4. have not have previously exhausted their eligibility for leave under UFML or Federal FMLA for the applicable current 12-month period.

SERIOUS HEALTH CONDITION
Serious health condition means an illness, injury, impairment, or physical or mental condition that involves:
- any period of incapacity or treatment connected with inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical facility;
- any period of incapacity requiring absence of more than three full consecutive calendar days from work, school, or other regular daily activities that also involves continuing treatment (or under the supervision of) a health care provider;
- any continuing treatment by (or under the supervision of) a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days; or
- prenatal care; or
- an injury or illness incurred by a covered servicemember: (a) in the line of duty on covered active duty in the Armed Forces (or existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces); and (b) that may render the servicemember medically unfit to perform the duties of the servicemember’s office, grade, rank, or rating. In the case of a veteran, this injury or illness could have “manifested itself before or after the member became a veteran”.

APPLICATION PROCEDURES
Employees should complete the TO BE COMPLETED BY EMPLOYEE portion of the UFML Application and submit it to their supervisor. The supervisor or department designee completes the TO BE COMPLETED BY DEPARTMENT portion and returns to the employee. A copy should be retained in the department separate from the employee’s personnel file. DO NOT SEND A COPY TO THE HUMAN RESOURCES OFFICE except under the following circumstances:
- UIUC Academic Professionals (AP) and Faculty must receive approval for unpaid UFML leaves. Forms should be submitted to the Academic Human Resources office.
- **System Office** employees should submit the completed UFML application and Medical Certification (if applicable) to System Human Resource Services. System HR completes the **TO BE COMPLETED BY DEPARTMENT** portion.

- **UI Hospital and Clinics (UI Health)** employees should submit the completed FMLA application and Medical Certification (if applicable) to UI Health HR. A member of the Absence Management Team completes the **TO BE COMPLETED BY DEPARTMENT** portion and responds to the request.

- **UIC College of Medicine** employees at the Rockford and Peoria campuses should submit the completed UFML application and medical certification forms to their respective Human Resources offices in Rockford and Peoria; HR will complete the To Be Completed By Department portion.

Employees who wish to take advantage of this leave must have completed and submitted either an official Civil Union Certification, an official Domestic Partner Affidavit, or the University of Illinois Affidavit of Domestic Partnership form prior to completing the University Family Medical Leave application. This form can be found at [https://nessie.uahr.uillinois.edu/pdf/benefits/DPAffidavit.pdf](https://nessie.uahr.uillinois.edu/pdf/benefits/DPAffidavit.pdf) or obtained from University Payroll and Benefits.

**MEDICAL CERTIFICATION**

Certification issued by the registered, same-sex domestic or civil union partner’s health care provider is required to support a request for University Family Medical Leave due to a serious health condition (see appropriate Medical Certification form). Requests for paid leaves shall be in accordance with the University's sick leave/vacation policies. Departments may require employees to provide the opinion of a second health care provider designated or approved by the University, but not employed by the University. The opinion of a third provider may be required when there are differing opinions. The opinion of the third provider shall be considered final and shall be binding on the University and employee. Any expenses associated with obtaining second and third opinions shall be the responsibility of the employing department.

**CERTIFICATION OF QUALIFYING EXIGENCY FOR MILITARY FAMILY LEAVE**

Certification issued by the employee is required for an employee seeking UFML leave due to a qualifying exigency. A complete and sufficient certification to support a request for UFML leave due to a qualifying exigency includes written documentation confirming a covered military member’s covered active duty or call to covered active duty status.

**RETURN FROM UNIVERSITY FAMILY MEDICAL LEAVE**

Employees are expected to contact employing departments at least thirty calendar days in advance of the anticipated date of return. A staff employee who has been absent for University Family Medical Leave shall be restored to the position of employment held by the employee when the leave commenced; or an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

**USE OF PAID AND UNPAID LEAVE**

Employees have the option to take the leave with or without pay. For care of a registered, same-sex domestic or civil union partner with a serious health condition, the leave is provided under University policy, including Policy and Rules, Policy 10; General Rules, Section 4; and the campus Academic sick leave policies. If an employee’s sick leave is exhausted, the employee may elect to use accrued vacation leave to continue in pay status during the UFML period. Sick and vacation leave used for this purpose will be counted towards the UFML entitlement.

**INSURANCE COVERAGE AND RETIREMENT CONTRIBUTIONS DURING UNPAID LEAVE**

Coverage of group health and dental insurance shall be continued by the University at the same level that coverage would have been provided if the employee had remained in continuous employment. Because UFML is a University leave and not a State leave, Central Management Services (CMS) will recognize this leave as a personal leave of absence, not as UFML leave. Regulations state that, during a period of unpaid personal leave, the employee will be billed both the state monthly contribution as well as the premium that would have been deducted from the employee’s pay had they remained on payroll. Upon request by the employee, the State portion may be reimbursed through the University’s Family Medical Leave Reimbursement Plan. Specific information about the reimbursement plan can be found at: (insert link). **If the employee does not make required payments during the leave period,** the CMS-Group Insurance Division (GID) will terminate the member’s coverage the first day of the current month. These members are ineligible to continue coverage under COBRA and will not receive a COBRA notification letter (eligible or ineligible). CMS will take action to collect all outstanding premium(s), which may include involuntary withholding. Employees are encouraged to contact the Benefits Service Center within thirty days following the last day of paid employment to understand their billing obligations and discuss the reimbursement process. Employees should also contact the Benefits Service Center to determine how optional benefits plans will be affected during a period of unpaid leave.
Employees pay the entire premium plus a 2% administrative fee for COBRA coverage. Central Management Services (CMS) mails monthly billing statements to the employee's home address on or about the tenth of each month. Bills for the current month are due by the twenty-fifth of that month and are paid to CMS. Individuals electing COBRA coverage have 45 days from the date coverage is elected to pay currently due premiums. Failure to submit payment by the due date terminates COBRA rights.

The University may recover any premiums paid for maintaining coverage for the employee, if the employee fails to return from University Family Medical Leave for a reason other than continuation, recurrence, onset of a serious health condition (of the registered same-sex domestic partner), or other circumstances beyond the control of the employee. Certification of such condition may be required by the University.

To determine the effect of University Family Medical Leave on the accumulation of service time for retirement and to assure continuation of contributions, the employee should contact SURS at 1-800-ASK-SURS.

**QUESTIONS**

Employees should discuss questions or disagreements about University Family Medical Leave with their department human resource representative. If concerns are not resolved at the department level, the college/administrative unit human resource representative should contact the appropriate university or system human resources office that will provide assistance to both the employee and the unit.

Interpretation of specific requirements of the University Family Medical Leave policy is subject to University provisions. Questions regarding these provisions should be directed to the appropriate university or system human resources office.

UNIVERSITY OF ILLINOIS APPLICATION FOR UNIVERSITY FAMILY MEDICAL LEAVE

For the Care of a Registered, Same-Sex Domestic or Civil Union Partner

University Family Medical Leave shall be granted to eligible employees only for the care of a registered, same-sex domestic or civil union partner. Domestic partners are recognized by the University through completion and submission of an official civil union certificate, an official domestic partner affidavit, or the University of Illinois Affidavit of Domestic Partnership.

UFML leaves are granted by the department/unit. Eligible employees are entitled to up to twelve workweeks (26 weeks to care for a covered servicemember with a serious injury or illness) of unpaid family medical leave during each consecutive twelve-month period for which eligibility criteria have been met. Employees may substitute accrued sick leave and vacation leave for unpaid UFML. The initial 12-month period is measured forward from the date the employee first takes UFML leave. The next 12-month period begins the first time UFML leave is taken after completion of any previous 12-month period. If foreseeable, requests for Family Medical Leave should be made at least thirty days in advance of the leave, or as soon as practicable. If the need for leave is not foreseeable, requests should be made within two business days of learning of the need for leave.
