Hardship Distribution Guidelines

*IMPORTANT INFORMATION FOR HARDSHIP DISTRIBUTIONS*

- A hardship distribution may not exceed the amount of your immediate and heavy financial need.
- You must obtain all distributions, other than hardship distributions and nontaxable loans, under all plans maintained by your Employer and any related employer plans (except to the extent such actions would be counterproductive to alleviating the financial need).
- A hardship distribution will not result in any restriction or reduction on the amount of elective contributions that you are otherwise permitted to make to this Plan (includes pre-tax, or Roth post-tax), or any other qualified or nonqualified plans maintained by your employer.
